I. Introduction

On October 23, 2012, the Postal Service filed notice that it has agreed to an amendment to the existing Priority Mail Contract 19 subject to this docket.¹

The Postal Service includes one attachment in support of its notice:

- Attachment A—a redacted copy of the amendment to the existing Priority Mail Contract 19.

The Postal Service also filed the unredacted amendment under seal. It asserts that the “supporting financial documentation and financial certification initially provided in this docket remain applicable.” It also seeks to incorporate by reference the Application for Non-Public Treatment originally filed in this docket for the protection of customer-identifying information that it has filed under seal.

The amendment requires the customer to manifest pieces for eligible customized pricing under the contract using a separate permit number and use Electronic Verification Systems and Endicia for shipment of such pieces. *Id.* Attachment A at 1. The Postal Service intends for the amendment to become effective on the day after the date that the Commission completes its review of the notice. *Id.*
